

DEPARTMENTAL ACADEMIC ORGANIZATIONS

Departmental Academic Organizations

Many of the academic departments and programs have voluntary organizations in their particular disciplines. These vary in nature and are often national in affiliation. They usually mix social activities with a professional or vocational emphasis. These organizations include:

- Accounting – Concordia People of Accounting
- Biology – Health Professions Interest Club
- Computer Science – Computer Science Software Engineering (CSSE)
- Chemistry – Chem Club (American Chemical Society Student Affiliate Chapter)
- Chinese – Chinese Club
- Education – Education Club
- Environmental and Sustainability Studies – Student Environmental Alliance (SEA)
- Finance – Offutt School Finance Association, Scheel Investment Club
- French – French Club
- German – German Club
- Healthcare Leadership – Student Healthcare Management Association
- International Business – International Business Club
- Marketing – Marketing Club
- Mathematics – Pi Mu Epsilon
- Music – American Choral Directors Association Student Affiliate Chapter, American String Teachers Association Student Affiliate Chapter, National Association for Music Educators
- Neuroscience – Concordia Neuroscience Society
- Nursing – Student Nurses Association
- Nutrition, Dietetics and Exercise Science – Student Academy of Nutrition and Dietetics
- Physics – Society of Physics
- Pre-Pharmacy – Pre-Pharmacy Club
- Psychology – Psychology Club
- Social Work – Student Association of Social Workers
- Spanish and Hispanic Studies – Círculo Hispano

Contact the appropriate department chair or program director for detailed information about membership and organization activities.
