

INVOLVEMENT

Concordia provides many avenues for student learning and personal growth outside the classroom. Students are encouraged to take advantage of these many opportunities to explore their interests, exercise talents and develop leadership skills. For eligibility requirements, see the Academic and Student Life Policies (<https://catalog.concordiacollege.edu/academic-student-life-policies/>) section of this catalog.

As a liberal arts college of the Evangelical Lutheran Church in America, Concordia College is committed to fostering the spiritual, intellectual, social and emotional growth of all students, helping them to achieve their fullest potential as human beings. As members of the Concordia College community, all students possess those fundamental human rights necessary to the pursuit of truth and the freedom to learn. We expect that all members of this community will treat each other with dignity and respect.
