UNDERGRADUATE COURSE DESCRIPTIONS

Explanation of Course Numbers

- Courses numbered below 100 are noncredit remedial courses.
- Courses numbered from 100 to 199 are open to all students.
- Courses numbered from 200 to 299 are considered sophomore courses and also are open to juniors and seniors.
- Courses numbered from 300 to 399 are considered junior courses and also are open to seniors.
- Courses numbered from 400 to 499 are considered junior and senior courses.

Cross-Listed Courses

If a course carries credit for majors in more than one department or program, both departmental designations precede the title. For example, BIOL 152 Vocation and the Health Professions, CHEM 152 Vocation and the Health Professions, carries credit in both the biology department and the chemistry department.
