

WORLD LANGUAGES AND CULTURES (WLC)

WLC 111 - Beginning [Language] I, 3,4 credits.

Designed for students with little or no previous knowledge of the language, this course reinforces the four acquisition skills of listening, speaking, reading and writing across all modes of communication. It also develops intercultural communicative competence as students get to know the cultures, history, and peoples who speak the target language around the world and in the United States.

Frequency: Summer Session

Repeatable: Yes

WLC 113 - Accelerated Beginning [Lang], 4 credits.

Designed for students with some previous study of the target language, experience in the target language-speaking country, or study of another language, this course develops existing language skills to form a solid foundation of the target language and target language-speaking cultures. Students learn to communicate in the target language and about different target language-speaking cultures to develop greater intercultural competence.

Frequency: Summer Session

Core designations: World Language W

WLC 299 - Professional Portfolio for [Language] in the Workplace, 0 credits.

In this course, students demonstrate their intercultural communicative competence, understanding of the diverse cultures of the [language]-speaking world, and language proficiency in [language] through a professional portfolio highlighting a variety of professional language experiences and updated resumes. Students reflect on the benefits of multilingualism in students' personal and professional lives. Previous or concurrent enrollment in [LANG] 212 with C+ or higher.

Frequency: Not offered on a Regular Basis

Prerequisites: LANG 212 (may be taken concurrently)

WLC 317 / FREN 317 - Race, Gender, and Power in the Francophone World, 4 credits.

This course, taught in English, examines Francophone texts from a variety of media to understand better the impact of power, racial, gender, and economic relationships on the French-speaking world from a historical/contemporary perspective. We cover Africa, the Americas, Asia and Europe. This course counts toward the global studies, women & gender studies, and international business programs.

Frequency: Every Third Year

Core designations: International-Global Prspct G, Humanities H

WLC 370 - Global Political, Social, Economic and Environmental Issues in the XXX-Speaking World, 3,4 credits.

Students develop greater understanding of global political, social, economic, and environmental issues through intensive study of authentic target language materials. Through projects, papers, presentations, and opportunities to collaborate with native speakers, participants develop intercultural communicative competence and target-language proficiency. Prerequisite: Consent of instructor. Intermediate or Advanced proficiency in the target language required.
